QUIZ 1 – Administrasi dan Keamanan Jaringan

The screenshot shows the Cisco Networking Academy interface for the 'Network Defense' course. The left sidebar displays the 'Course Outline' with progress bars for various modules, all at 100%. The main area shows the 'Checkpoint Exam' results, indicating a 100% score and a congratulatory message. Below this, a table lists the performance for each Learning Objective and Skill, all of which were completed at 100%.

Here is how you performed in each of the Learning Objectives and Skills associated with this assessment.	
Module: Understanding Defense	100%
Module: System and Network Defense	100%
Module: Access Control	100%
Skill: Use cybersecurity concepts to document cybersecurity issues.	100%
Skill: Implement wireless network security measures.	100%
Skill: Configure security measures on network devices and Linux and Windows endpoints.	100%
