QUIZ 1 ADMK

The screenshot shows the Cisco Networking Academy interface for the Network Defense course. The left sidebar lists the course outline, including modules and a final Checkpoint Exam. The main area displays the exam results for the 'Checkpoint Exam: Principles, Practices, and Processes of Network Defense', showing a score of 92%. Below the score, a table details performance on various learning objectives and skills. A small widget on the right shows a 67% score for a specific skill.

Course Outline

- My Knowledge Check (beta)
- Course Introduction
- Module 1: Understanding Defense
- Module 2: System and Network Defense
- Module 3: Access Control
- Checkpoint Exam: Principles, Practices, and Processes of Network Defense
- Checkpoint Exam
- Module 4: Access Control Lists
